## WE HELP AND PROTECT YOU!

The Municipality of San Bonifacio, along with the help of the **Italian Red Cross**, has activated a **responsive service** in order to help **vulnerable people** and individuals most exposed to the risk of infection. This service aims to deliver to your house **essential medicines** and **basic needed food**.

### Service provided

Free delivery to your house of **basic needed food** and/or **essential medicines** during the afternoon/evening.

### Addressees

Vulnerable people and individuals most exposed to the risk of infection and people affected by a chronic condition.

### What to do?

- For ordering medicines: call **from 9am to 12am** your desired pharmacy in the San Bonifacio area and place your order.
- For ordering food products and essential goods: call from **9am to 12am** the municipality at the following number 045-6132750 and place your order\*.
- Food products and medicines will be delivered to your house by the Italian Red Cross during the afternoon/evening.

Method of payment accepted: **only cash**.

\*we buy your food products through the Iperfamilia website or calling Pregis, the only supermarkets which decided to participate.
